After Hurricane Katrina, scrapbooking shop owner Carmela Bertrand has her hands full getting Memory Mine back in business-and her relationship with her ex-husband, Shamus, back on its feet. But then Shamus is kidnapped, and Carmela discovers Shamus's Uncle Henry, murdered.

Carmela puts together a sentimental scrapbook of memories and keepsakes of Henry. But her project holds a clue that could identify the killer and kidnapper-and the murderer is going to try to close the book on Carmela once and for all.
