When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us... Whenever Selina asked about her late father, the grandmother who raised her changed the subject. The chance discovery of a photograph gave Selina hope that he was still alive and sent her searching for him on a small Spanish island. In this lush paradise, Selina found George Dyer, a writer who would help her solve the mystery of her past...and might hold the key to her future.
