著者:Edgerton, Clyde

出版者:Ballantine Books

出版时间:

装帧:Pap

isbn:9780345329820

From Publishers Weekly This charming vignette follows the early days of the marriage of Raney, an innocent, Southern Baptist, and Charles, who is considerably more liberal and sophisticated than Raney. The two must make many accommodations to one another and regularly consult a marriage counselor. PW found that the author's "ear for idiom is exact, the two central characters perceptibly developed and the other members of the small cast are given dimension and personality." Copyright 1986 Reed Business Information, Inc. Book Description "This book is too good to keep to yourself. Read it aloud with someone you love, then send it to a friend. But be sure to keep a copy for yourself, because you'll want to read it again and again." Elizabeth Forsythe Hailey Raney is a small-town Baptist. Charles is a liberal from Atlanta. And RANEY is the story of their marriage. Charming, wise, funny, and truthful, it is a novel for everyone to love. "A real jewel." RICHMOND TIMES-DISPATCH See all Editorial Reviews
