A deathbed reconciliation with his estranged father brings Bo Hancock home to make amends for the wild ways that turned him into a political liability. Once the black sheep of Connecticut's most influential clan, Bo is now back at the helm of Warfield Capital, the multibillion dollar investment firm at the heart of his family dynasty. But his return sparks a rapid-fire chain of events that could destroy the family and its vast fortune. First, Warfield is left vulnerable to every Wall Street shark out to make a killing. Then a sudden rash of real killings forces Bo to confront the specter of a sinister conspiracy and brings him face-to-face with one shocking truth after another, shattering the world and the family he thought he knew, leaving him utterly alone and running for his life. . . .
