., "a personal as well as historical story that crisscrosses the centuries on the question of war and peace." -- New York Times This magical account of King Arthur's last night on earth spent weeks on the New York Times best-seller list following its publication in 1977. Even in addressing the profound issues of war and peace, The Book of Merlyn retains the life and sparkle for which White is known. The tale brings Arthur full circle, an ending, White wrote, that "will turn my completed epic into a perfect fruit, 'rounded off and bright and done.'"
