Dermot Michael Coyne isn't sure what he's gotten himself into. Nuala Anne McGrail, that beautiful and vivacious "Celtic witch" has finally agreed to marry him. But they've barely tied the knot when Nuala's psychic "spells" begin again. Visions of a burning castle, the captain of the infamous "Black and Tan" police force, a wild woman from Chicago, and bloodshed--all somehow connected--lead the two to the remnants of a mystery long buried in the mist of Ireland's turbulent and violent past. How did Kevin O'Higgins, the murdered leader of the movement to free Ireland, die? And who among the living will do whatever it takes to keep Nuala and Dermot from finding out?
