isbn:9780880014298

In his last novel, published less than a year before his untimely death at the age of

forty-five, D.H. Lawrence takes up the theme of Christ's resurrection and his final days on Earth. Lawrence recounts Christ's agonizing journey from death back to life with an alarmingly proffane realism, depicting the tale from the moment of his initial painful awakening to his eventual redemptive sexual relationship with the priestess of the pagan goddess Isis. The story expands beyond its Christian roots to explore and embrace Lawrence's abiding faith in the life-force apparent in every aspect of the natural world. For his final work, Lawrence has encapsulated a lifetime of extraordinary vision into one profound and exquisite parable.

评论

果然是熟悉的Lawrence配方，mysticism plus sensuality，一个耶稣复活和Isis女祭司大圆满的故事。

Lawrence's interpretation of Christ's resurrection: If I had kissed Judas with live love, perhaps he would never have kissed me with death. Perhaps he loved me in the flesh, and I will that he should love me bodilessly, with the corpse of love.
