In the dawn of history, valiant people forged a path way from an old world into a new one. Led by a dreamer who followed the spirit of the wolf, a handful of courageous men and women dared to cross the frozen wastes to find an untouched, unspoiled continent. This is the magnificent saga of the vision-filled man who led his people to an awesome destiny, and the courageous woman whose love and bravery drove them on in pursuit of that dream. A sweeping epic of prehistory, "People Of The Wolf" brings the true story of the ancestors of today's Native American people to life in an unforgettable saga of hardship and determination, conflict and passion.
