On a hot summer night in Florida, a beautiful young woman is brutally raped and murdered. Twenty years later, the man convicted of her slaying is released from prison -- only days before another horrific crime is committed. Now, Louis Kincaid must follow a trail of death that connects a decades-old case with a new murder, leading him into a web of secrets and lies surrounding a twisted killer. As one sweltering day melts into the next, the scent of blood hangs thick in the air.
