Beset by daily life's trials and tribulations, many people search for the elusive wisdom that will help them make sense of their journey and find inner peace. So, too, do the characters in this wonderful story by Sydney Banks. In this simple but profound tale, four colleagues meet a remarkable gardener whose unique philosophy will forever change their lives. That philosophy is equally powerful for the reader. The wisdom within these pages comes in the form of a straightforward message that is accessible to all who open their hearts to it.
