The remarkable Lindsey magic is stronger than ever The spectacular #1 bestselling author returns with a glorious tale of passion and duty set in medieval England. A betrothal has been announced that will join together Britain's two most powerful families, a union of wealth and influence to rival even the King's himself. But not only does the dangerously ambitious King John oppose this wedding, but Milisant and Wulfric: the intended bride and groom, are equally unhappy with the arrangement. Two passionate, headstrong people, they resent being thrown together for purely dynastic reasons. But fate's many twists and turns, and the unpredictable predilections of two unconquerable hearts and#22519;ill turn an unwanted marriage of convenience into a true and eternal joining of desire and love.
