One phone call from a concerned neighbor has inadvertently led police to Terence

Payne, the elusive serial killer known only as "Chameleon." Now the fiend is in custody, perhaps dying, and a long nightmare appears to be over at last. But is it? In Acting Detective Superintendent Alan Banks's mind too many questions remain unanswered at the chamber of horrors the press will dub the "House of Payne." Because the darkness has not yet lifted, the casualties are still mounting...and there are still monsters loose in the world.
