War in Cuba isn't Ben Tyler's concern. Still, sailing mares and guns into Havana harbor in 1898--right past the submerged wreckage of the U.S. battleship "Maine"--may not be the smartest thing the recently prison-sprung horse wrangler ever did. Neither is shooting one of the local Guardia, though the pompous peacock deserved it. Now Tyler's sitting tight in a vermin-infested Cuban stockade waiting to face a firing squad. But he's not dying until he gets the money he's owed from a two-timing American sugar baron. And there's one smart, pistol-hot lady at the rich man's side who could help Ben get everything he's got rightfully coming...even when the whole damn island's going straight to hell.
