著者:Berry, Wendell

出版者:Perseus Books Group

出版时间:2001-5

装帧:Paper

isbn:9781582431246

Part ribald farce, part lyrical contemplation, Wendell Berry's novel is the story of a place-Port William, Kentucky-the farm lands and forests that surround it, and the river that runs nearby The rhythms of this novel are the rhythms of the land. A Place on Earth resonates with variations played on themes of change; looping transitions from war into peace, winter into spring, browning flood destruction into greening fields, absence into presence, lost into found. This brings the revised 1983 edition back into print, the next book in our program to put all of Wendell Berry's fiction into print in revised and corrected uniform editions. "A splendid, warm, heartfelt novel about countrymen by a countryman. . . What a pleasure it is to read a book about decent people who love or like or at least tolerate each other." -Wallace Stegner "Mat's inner struggle to come to terms with the world is illuminated and given meaning by Wendell Berry's compassionate understanding of the town, the land, and the people he writes about. . . His book is one to be savoured slowly for its humanity, humor, wisdom, and poetry." -Publishers Weekly
