著者:[英] 丹尼尔·笛福

出版者:Dover Pubns

出版时间:1996-7

装帧:Pap

isbn:9780486290935

Brilliant masterpiece of 18th-century realism, written in the form of an autobiographical memoir, recounts the dreadful facts of Moll's adventurous life—her years in prison, as a prostitute and thief, as a "transported felon" in the American colonies and her final years, lived honestly in comfort and wealth.
