During the Holocaust at the German concentration camp near Plaszow, thousands of

Jews lost their lives at the hands of the Nazis. More than a thousand others would have been counted among the dead if not for a womanizing, heavydrinking, German-Catholic industrialist and Nazi Party member named Oskar Schindler. One of the most remarkable narratives of the Holocaust, "Schindler's List" masterfully recreates the daring exploits of Schindler, who used his enormous fortune to build a factory near the concentration camp and saved the lives of over 1,300 Jews. An absorbing, suspenseful and moving account of Oskar Schindler's legacy of life, this is an unforgettable audio program.
