著者:Beryl Bainbridge

出版者:Carroll & Graf

出版时间:1999-10-15

装帧:Paperback

isbn:9780786706976

The highly acclaimed New York Times Book Review Notable Book of 1998 and Booker Prize Nominee that reinvents the historical novel from Beryl Bainbridge, the distinguished author of *The Birthday Boys* and *Every Man For Himself*. A misadventure in a brothel links the destiny of the enigmatic George Hardy, a surgeon and amateur photographer, to a foundling who becomes his obsessively devoted maid, a wily street boy who takes advantage of his sexual ambiguity, and his alternately philosophical and libidinous brother-in-law in this terse, searing novel that takes them from the comfortable parlors of Victorian Liverpool to the horrific battlefields of the Crimean War. "An exquisite dissector of human folly" - Time "Striking ...in its companionable alliance between wry, deadpan humor and nightmarish horror" - New York Times Book Review "Master Georgie can be read in an hour or two, yet it may reverberate in the reader's consciousness long after its poignant final page." - Boston Globe "Easily the most impressive novel I've read this year, and my admiration for it is unqualified." - Mordecai Richler, National Post (Canada) "Remarkable ...A tour de force of compressed plotting ...by turns funny and appalling" - New York Times "A memorable novel" -

Atlantic Monthly "Stunning" - The New Yorker "A virtually flawless blend of elegant prose, ironic observation, and impeccably controlled narrative momentum" - Publishers Weekly (starred review)
