Once on the fast track to success, Helen Hawthorne is now going nowhere fast. She traded in her chic life for a shabby one. And now she's on the run, jumping from city to city and dead-end job to dead-end job, trying to stay one step ahead of her past... After two weeks as the new salesclerk at Juliana's, Fort Lauderdale's ultra-exclusive clothing boutique, Helen still feels out of fashion. And since the only crime likely to be committed around here is being old-or worse, looking old-Helen figures she's safe. Until she discovers the manager has been embezzling money and selling designer drugs along with the designer clothes. Add murder to the mix-and Helen's dead-end job is downright deadly.
