Home of the helmet hairdo and Congressional comb-over, Washington, D.C. is a hotbed of fashion faux pas. If anyone should know, it's "Crimes of Fashion" columnist Lacey Smithsonian. She dishes out advice to the scandal-scorched and clothing-clueless, doing her part to change this town-one fashion victim at a time... An up-and-coming stylist, Angie Woods had a reputation for rescuing down-and-out looks-and careers-all with a pair of scissors. But when Angie is found with a drastic haircut and a razor in her hand, the police assume she committed suicide. Lacey knew the stylist and suspects something more sinister-that the story may lie with Angie's star client, a White House staffer with a salacious website. With the help of a hunky ex-cop, Lacey must root out the truth...
