著者:Davis, Lydia

出版者:Transition Vendor

出版时间:2001-10

装帧:HRD

isbn:9780970335593

Davis continues her sometimes harrowing, often witty, always meticulous and honest narrative investigations into such urgent and endlessly complex concerns as boring friends, Marie Curie, neighbors, lawns, marriage, jury duty, Christianity, ethics, selfishness, failing health, old age, funeral parlors, war, Scotland, dictionaries, children, and the problematic vehicle by which such concerns are most often conveyed--language itself.
