The stunning first novel in Louise Erdrich's Native American series, Love Medicine tells the story of two families -- the Kashpaws and the Lamartines. Written in Erdrich's uniquely poetic, powerful style, it is a multigenerational portrait of strong men and women caught in an unforgettable drama of anger, desire, and the healing power that is love medicine. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
