From top-secret diplomatic tunnels beneath London to the high seas off the Azores, the "New York Times" bestselling SEAL commando of eight explosive thrillers takes on a lethal group of Irish Republican Army terrorists in "ROGUE WARRIOR" DETACHMENT BRAVO The Rogue Warrior is back in a fast-paced, furious, in-your-face adventure This time he's on the hunt for a high-tech army that smashed the Good Friday Peace Accord and killed a half dozen American and British CEOs. Launched by two self-financed, new-generation terrorists, this murderous wing of the IRA has an even bigger assault planned -- one that promises to stun the world. Now, along with a special ops team made up of Brits, SEALs, spies, and NSA operatives, Marcinko is determined to stop them, but there are a few unknowns: they don't know the target, they don't know the date, and they don't know where the terror is going down.
