Ever wonder how a little old lady with possum-gray hair could wind up on a homicidal hit list? Well, nothing is too outlandish for Ivy Malone. She's back and she's brought her mutant curiosity gene with her. And ever since the evil-intentioned Drake Braxton and his family threatened to make road kill out of Ivy, her life has been crazier than ever. With the ever-present threat of looming Braxtons, Ivy decides to get out of Dodge for a while. But for someone who slides down banisters and drives a T-Bird, hiding from the mob does not come easily. And when strange things start happening to her new neighbors, Ivy's snooping sense kicks into overdrive. Will she unravel the mystery? Or will the threats to her safety scare her away? With *Invisible*, readers laughed so hard they cried. *In Plain Sight*, the second Ivy Malone mystery, promises to be even better.
