Kitty Norville is a midnight-shift DJ for a Denver radio station - and a werewolf in the closet. Sick of lame song requests, she accidentally starts "The Midnight Hour", a late-night advice show for the supernaturally disadvantaged. After desperate vampires, werewolves, and witches across the country begin calling in to share their woes, her new show is a raging success, but it's Kitty who could use some help. With one sexy werewolf-hunter and a few homicidal un-dead on her tail, Kitty may have bitten off more than she can chew...
