"It had been a year and a half since I graduated high school and a year since I been workin' -- workin' niggas, that is."It's 2001, and Celess and Tina are at the top of their game. With Celess's fine features and Tina's voluptuous body, they attract attention from men wherever they go. From New York to Philly to Delaware, they hit all the clubs and every big party with the baddest outfits. And they don't pay for a thing. Celess has no job and no need to worry about getting one, not with boyfriends like O, Tariq, and James lining up to buy her the latest designer clothes, the hottest jewelry, and the most expensive cars. But Tina's and Celess's fast, packed lives are about to catch up with them. The two share a devastating secret, and when it's revealed, Celess will need every ounce of her street smarts to survive. This book has a twist that will leave you shocked
