Angel Sands is a traditional seaside resort of bed and breakfasts, cottages to let and tearooms. And with the best views of the tiny beach and surrounding coastline is Paradise House, home to the Baxter girls - or the Sisters of Whimsy as they're known locally. With their mother taking time out to find herself, it's down to Genevieve to maintain the smooth running of the family-owned B&B. Not an easy task given that their father - now that his wife isn't around - has suddenly become a magnet for the opposite sex. And there's little help from her sisters: Nattie is too busy offending her long time admirer, and Polly spends most of her days with her head in the clouds or in a book. But when news spreads in the tightly knit community that a nearby dilapidated barn has been sold, Genevieve finds that a bittersweet trip down memory lane is unavoidable ...
