In 1889, Eleanor Bly flung herself from the tower of Five Mile House after murdering her seven children. More than a hundred years later, her ghost reaches out to Leslie Stone, a New York cop who has killed a child murderer and is haunted by her actions. New to the town of Wellington-famous for its coven of witches-Leslie becomes obsessed with Eleanor's story, suspecting that the truth may be quite different from local legend. As she digs deeper, uncovering dangerous town secrets, her life and the lives of her children are put into peril. Is Leslie destined to suffer the same madness as Eleanor Bly?
