Earth is a radioactive ruin. But the initial campaign of the Butlerian Jihad has given new hope to mankind. Serena Butler, whose murdered child has become a symbol for oppressed humanity, inspires a war against the thinking computers led by Xavier Harkonnen and Vorian Atreides. But four of the Titans - murderous machines with human brains and human cunning - still remain. And the universal computer mind, Omnus, still wields most of its power.

评论

战争铸造英雄，也创造恶魔，最可怕的是战争让一切道义良知是非善恶的标准变得模糊，人们究竟为谁而战？
