The fascinating and terrifying exploration into the supernatural that inspired Stephen King's much-anticipated ABC-TV series, Stephen King's Kingdom Hospital . The newly built Kingdom Hospital in Lewiston, Maine, is one of the most technologically advanced hospitals in the country. Unfortunately, it was erected on the site of a terrible tragedy -- a textile mill fire that killed dozens of workers, mostly children. And it appears that beneath the sheen of the new construction and scientific innovations of The Kingdom, an indecipherable and primal evil lurks -- and the soul of a trapped and helpless child cries out for solace.
