Lilly Cleary is an attorney for a prestigious Sarasota law firm. But her killer cross-examination technique and take-no-prisoners courtroom attitude haven't stopped the senior partners from dumping one stink bomb after another on her desk -- like the kayak-whiplash case she's currently saddled with. And problems at home, specifically with her ex-boyfriend, aren't making her disposition any sunnier. But it isn't until she's mugged outside her office that her troubles really begin. And when someone puts a bullet hole in her favorite suit, Lilly realizes things are getting a bit too personal. Perhaps it has something to do with a malpractice lawsuit she's inherited, and her recently and suspiciously deceased doctor client. Lilly's not going to take the insult lying down -- even if tracking a killer leads her into dangerously deep water.
