Eight Hundred years have passed since the Mogollon holy man was murdered in Flowing Waters Town. The threads of evil spun by Two Hearts are drawn across time to ensnare modern archaeologists Dusty Stewart and Maureen Cole. The "Wolf Witch" has killed a man, and Dusty and Maureen must unmask the murderer before he strikes again. Doing so will root out disturbing secrets about Dusty's past that will cast his father's tragic suicide in an unsettling light. With so many skeletons in the closet, even a bone expert like Maureen can be baffled...and the Wolf Witch is two steps ahead of them, drawing them relentlessly into his trap...
