Before this all happened, the closest I'd ever come to getting physical with a guy was playing the board game Operation. Okay, so maybe that sounds pathetic, but it's not like there were any guys at my high school who I cared to share more than three words with, let alone my body.

Then I met Wes, a track star senior from across town. Maybe it was his soulful blue eyes, or maybe my hormones just started raging. Either way, I was hooked. And after a while, he was too. I couldn't believe how intense my feelings became, or the fact that I was seeing—and touching—parts of the body I'd only read about in my Gray's Anatomy textbook. You could say Wes and I experienced a lot of firsts together that spring. It was scary. It was fun. It was love.

And then came the fall.
