Life in Sassafras Springs has always been predictable, boring even, but one afternoon that changes when Eben McAllister's pa challenges him to find Seven Wonders in Sassafras that rival the real Seven Wonders of the World. The reward? An adventure that Eben's been craving -- a trip to Colorado. Even doesn't think he'll have any luck -- he can't think of one single thing that could be considered wondrous in Sassafras -- but he's willing to try. Little does he know that the Wonders he'll discover among his neighbors, friends, relatives, and family will give him the adventure of a lifetime...without ever leaving his home.
