The YOU CAN DO IT Kit shows girls that whatever they dream, they can do. The book is full of bold graphics and inspiring tips to help girls choose goals that are right for them and then go after them, one step at a time. A full-sized poster inspires girls to try new

things, and five sheets of stickers reward their small successes. Girls will have fun tracking their progress in the YOU CAN DO IT journal, and six bright smart cards will keep girls going and feeling strong - from start to finish
