isbn:9780516022932

Author/Illustrator Mike Venezia has been getting to know the world's greatest artists for as long as he can remember. A graduate of The School of the Art Institute of Chicago, Mike believes the best way to introduce children to art and artists is through fun. If children can look at art in a fun way, and think of artists as real people, the exciting world of art will be open to them for the rest of their lives.
