"This imaginative, wordless book of color photographs is a visual treat, offering witty and subtle sets of images for enriching the eyes of children and adults....[A] satisfying, intriguing book."--School Library Journal. Shadows and reflections are all around us -- under our feet, over our heads, directly in front of us. But only Tana Hoban can make us look at -- and see -- what is right before our eyes. She makes us look with our minds and hearts and imaginations -- and our surroundings are forever changed.
