Every little girl's graduation from diapers to the potty is always a very important moment and one to make both parents and toddlers proud. In *The Potty Book*, Hannah needs to have her diapers changed so she can go out and play. Then mom and dad bring home a big box, and Hannah is anxious to open it up and see what's inside. Is it a rocking chair? A bed for Teddy? No, it's a potty, which means that it's time for Hannah to graduate from her diapers. This gentle and humorous little story is charmingly illustrated and told in verse. Little girls will enjoy looking at the pictures and having the story read to them. Meanwhile, they'll start getting the idea that it's time for them to grow up, exactly like Hannah. So that at last, they'll be able to say "I'm off the

potty "
