Here's a charming first book for toddlers. Each page is constructed of softly padded cloth and printed with a bright illustration. But the most unusual feature of all is Babyaa five-inch tall cloth doll with a funny face and two different sides. One side of Baby is clad in rompers. Turn Baby over, and you'll find her wearing only a diaper. Baby is attached to the book by a ribbon, and toddlers will see her first on the book's front cover, nestled inside a pink blanket. They can take Baby out of the blanket, then open the book and insert her into each of the pictures. She is carried in Mom's backpack, then she rides on a swing. In other pictures she can sit in a high chair, then in a car seat,

ride in a carriage, splash in the tub, and finally into her warm snug crib. Moms will appreciate that this book is washable.
