著者:Nardo, Don 编

出版者:Lucent Books

出版时间:2003-12

装帧:LIB

isbn:9781590180709

This informative and moving volume examines traditional Indian weapons and battle tactics, as well as those they borrowed from the whites. Among the topics covered: offensive and defensive weapons, the introduction of the horse and how it transformed Plains warfare, wars between Indians and Indians, wars between Indians and whites, and the Indians' final, desperate weapon--the Ghost Dance.
