James "JD" Dawson grew up in the hood, but left a life of violence three thousand miles behind to make something of himself at University of Atlanta. But when the freshman got off to a fool's start--kicking it with his new homeboys, showing up late to class, not studying and checking out the shorties--JD was assigned a tutor, the luscious Katrina Turner. She made studying "real" fun. But if JD wanted to get with a girl like Katrina, he'd also have to learn to grow up.
