Charming paintings of delicate cups and tranquil settings by popular artist Susan Rios beckon readers to savor tea moments. Emilie Barnes introduces simple and clever ways to take the pleasures of tea anywhere and everywhere. A dozen themed chapters include new recipes, memorable stories, and special tips for transforming any moment: Shower Tea - Every occasion can be simple and elegant with tea-lightful ideas; Neighbors Tea - Greet new and old friends and serve up community in a cup;

and, Princess Tea - Honor royal women with stars and decadent treats. This latest delight for every tea lover's collection will inspire readers to infuse daily life with goodness to go.
