This is a bright, modern update of the bestselling Bristol title. The toaster oven is enjoying renewed interest and sales, and this revised edition brings you more special techniques and safety tips, more basic instructional advice, and more great recipes. Use the Toaster Oven Cookbook to bake, roast, toast and broil with less time, electricity and cleanup. You'll find appetizers and snacks; vegetables and side dishes; meat, poultry and seafood entrees; sandwiches; and even quick and yeast breads--a breeze to prepare in a toaster oven. It's great for 1 - or 2-person meals. As an Amazon customer says, this is "a very helpful book."
