Malaysian teenager Mat makes a life-changing move from the quiet kampung where he was born to Ipoh, the rapidly industrializing nearby town. Living far from his rural roots at a boarding school, he discovers bustling streets, modern music, heady literature, budding romance, and through it all his growing passion for art. The companion novel to the critically acclaimed *Kampung Boy*, *Town Boy* offers more of Lat's delicious storytelling and enchanting pen-and-ink artwork. At once exotic and familiar, his cartoon world builds a bridge for readers into another world, another culture, and another time.

开心得买到了第两本，只是买完后亚马逊总不停地一块两块的去下降价让人很不满。开始了城镇生活，图画变得热闹丰富多了，街道人物画得细致又可爱，在地铁上翻看，一个姑娘就凑在旁边一起看。不过要说故事，却没有第一本有趣，那本童年的乡村生活更有地方特色，这本讲成长，从少年到青年，友谊，读书，理想，情动，人人都有的经历，时间跨度大，内容不大丰满，若要通过漫画找共鸣感动也有点要求过高，再说我要的就是线条勾勒的轻松和趣味。结尾有点小小的哀伤，好友分别，我希望这故事能够继续画下去。

喜欢绘画多余故事
