More than 1,000 fascinating facts are packed into this cool travel kit for kids, which contains an informative book, 50 die-cut color license plate cards, a map of the USA, and four pencils and pads kids can use to track each state's license plates whenever they're in the car. (Whoever identifies the most plates from different states wins ) All cards include the state capital and an image of the state flag, along with historical tidbits, current statistics, and notes on each state's most famous residents. And to keep things organized, the cards are tied together with nylon cord and packaged in a license plate designed box. No parent should leave home without this
