The exciting world of professional soccer comes to life in this compelling sequel to "GOAL The Dream Begins." Young soccer player Santiago Munez has come a long way from the barrios of Los Angeles. He has become one of Newcastle United's most outstanding players. He is so good, in fact, that he is recruited for one of the world's best teams, Real Madrid. So Santiago leaves dreary northern England for the sunny shores of Spain. As part of Real Madrid, he is no longer just a soccer player--he's also a celebrity. He can now afford fast cars, a fancy house, and practically anything else he's ever dreamed of. But these luxuries come with a price: He is constantly swarmed by paparazzi. And while Santiago travels the world with the team, his fiancee, Roz, is left behind most of the time, uneasy about his fast-paced new lifestyle. Santiago struggles to keep his balance, but when someone from his past unexpectedly resurfaces in Madrid, his charmed life begins to crumble. Will Santiago be able to keep playing great soccer while dealing with the pressures--and temptations--of fame?
