Baby Bug loved his shovel. He dug and dug. He dug up a mug, a pug, and got tangled in a rug! Now his mom can't find him to give him a hug! This silly, rhyming story allows children to recognize, read, and spell three-letter words in the short "u" word family.

FUN WITH PHONICS is a wonderfully interactive series of early reader books, designed to develop literacy and sound-recognition skills through repetition within a meaningful context. Children will learn from the integrated experience of turning the wheel to spell

words as they read!
