出版者:Scholastic

出版时间:2007-1

装帧:HRD

isbn:9780439517409

Poor Pierre wishes he could tell Catherine how he feels about her, but Catherine is a graceful ballet teacher, and Pierre is merely a poor fisherman.

By making a few silly mistakes and a few more brave decisions, Pierre soon learns that being a fisherman may not make him so hard to love after all.

Pennypacker weaves a sweet story about finding the courage to let someone special into your heart, while Mathers' luscious illustrations draw readers into a colorful world full of hope and bravery.
