A collection of the most important letters received from teens responding to the "Chicken Soup for the Teenage Soul" series, this book is a powerful reflection of the feelings of generation of readers. Some letters will make readers laugh and others will make them cry; but all the letters reveal that teens share similar outlooks, experiences and feelings. Teens have been writing letters in response to the teenage "Chicken Soup" books since the birth of the series in 1997. These letters represent reactions to a wide array of issues and events, all of interest to teens, whose consistently enthusiastic response to the series indicates an ongoing interest. Letters from contributors to previous volumes, along with letters from the organizations that support teens, provide a nice complement to this collection. "Chicken Soup for the Teenage Soul Letters," with its candor and compassion, is sure to be the next great success in this blockbuster series.
