Agatha loves her new feather bed, but when six shivering, naked geese pay her a visit to discuss the origin of the feathers...is her goose cooked? In a delightful, O. Henry-inspired ending, Agatha arrives at a solution that benefits all, teaching readers to respect the delicate balance between our resources and responsibilities.

所有东西都有由来，没有东西没有由来；就像纸张来自树林，玻璃来自沙砾，  
答案只能来自问题，来问吧，无需多虑。
