Best-selling author Mem Fox celebrates a special father-daughter day in this visually stunning picture book. Spend a day at the zoo. There's so much to see: the tiger with the stripes across its back, the panther with its coat of shiny black, the zebra whose tail goes whack. The rhythmic text by Mem Fox is filled with surprises and reflects all the playfulness and warmth found in family relationships. The texture and glowing colors of Candace Whitman's torn paper collages bring all the animals, exotic and familiar, to life.
